

## JOB OFFER

L5 Interiors GmbH is a successful, medium-sized company specialized in development, design, manufacturing and certification of aircraft interiors. We are looking for a qualified, highly solution-oriented Design-/Verification Engineer, with the ability to assess evidence and develop conclusions based on that evidence in a logical and structured fashion.

For the next possible date we are looking for our location in Straubing for a **Design-/Verification Engineer m/w/d in part-time or full-time**

### Main Responsibilities:

- Work as a DE/CVE (depends on the strength and knowledge technical field to be determined)
- To coordinate certification activities in scope of L5 Interiors GmbH
- Understand and interpret certification requirements
- Define design concept and integration from agreed customer requirements through to certification
- Ensure that design meets customer and certification requirements.
- Supporting the Head of Office of Airworthiness
- Discuss and present design concepts and solutions to facilitate change approvals and aircraft documentation
- Define and verify necessary ground testing to demonstrate compliance with customer and certification requirements
- Support to required testing and documented analysis of results
- Generate and verify compliance substantiation reports as required

### Our Requirements:

- Aviation engineering background desirable with knowledge in cabin interior as well as in-flight entertainment systems
- A fundamental knowledge of:
  - FAR/JAR/CS 25 Certification Requirements
  - EASA PART 21
- Basic skills in SolidWorks/AutoCAD
- MS Office skills mandatory
- Fluent English language skills in written and oral are essential
- Fluent German language skills in written and oral are desirable
- Ability to communicate and negotiate internally and externally at all levels
- A reliable person capable of producing high quality documentation
- Ability to work in a team and ability to fulfill any role required by the team even when that role may vary

**What we offer:**

- Possibilities to manage and lead projects and to improve technical skills
- Long-term career opportunities through our individual development program
- An attractive and performance-oriented salary
- Flexible working hours with the possibility of home office and a permanent employment contract
- Collegial working atmosphere

**Have we aroused your interest?**

Then we look forward to meeting you soon.

Please send us your complete application documents using the "APPLY HERE" button at [www.L5-interiors.com/career/](http://www.L5-interiors.com/career/).

We will review your documents as quickly as possible, but ask for your understanding if we need a little more time due to an increased number of applicants.

**We are looking forward to your application and a personal interview with you!**
